**ORDER**

Before the Court is the parties’ Joint Motion for Entry of Second Amended Docket Control Order (the “Motion”). (Dkt. No. 97.) In the Motion, the parties move to amend the Docket Control Order in this case to extend the Deadlines for Defendants to comply with certain claim construction-related deadlines, including to comply with Local Patent Rules 4-1, 4-2, 4-3, 4-4, and

4-5(a) and (b). (*Id.*) However, the parties attached to the Motion a non-final draft of a Proposed Docket Control Order (a pdf with redline edits still included). (*Id.*) The Motion is therefore **DENIED WITHOUT PREJUDICE**. It is **ORDERED** that the parties may refile their Motion, with an attached Protective Order that the Court may enter, within three (3) business days.

**So ORDERED and SIGNED this 19th day of July, 2024.**
